# ReVOLT'S Progress

## Who We Are

ReVOLT is the University of Calgary's electric motorcycle design team with the design motto of combining innovative and sustainable EV technology and performance

## Our Mission

Our mission is to transform traditional gasoline-powered vehicles into high-performance electric machines through the use of cutting edge sustainable technologies.

## Our Goals

ReVOLT is set to compete in the upcoming WERA motorcycle race, where our completed bike will compete with top university teams, showcasing our sustainable innovation, engineering, and performance on the track.

# Our Events

By sponsoring ReVOLT, your company gains the opportunity to host and participate in exclusive events that cultivate a vibrant and engaged community of students. This provides a unique platform to connect with future talent, network with prospective employees, and showcase your company in an interactive setting.

## Guest Speaker Nights

- Opportunity for companies to outreach their brand through guest speaker events
- Company speakers gain the floor to talk about their company experiences or to host seminars
- Gain exclusive access in meeting prospective employees in the industry

## Company Tours

- Host the opportunity to showcase your company to students through an engaging tour of your company offices
- Allows students to gain insights on the inner workings of the day in the life as an employee at your company
- Network and connect with students through resume sharing opportunities

## Hands on Workshops

- Students are given the opportunity to gain hands on experience in developing technical skills within varying fields
- Companies may choose to host their own tailored workshop course to develop specific skills

Feel free to suggest any other events you would be interested in providing.
